Letter of recommendation, Caroline Larsson

To whom it may concern,

I have had the privilege of teaching Caroline Larsson (010920-0105) during her years at Täby Enskilda Gymnasium, 2017-2020.

I taught Caroline in Swedish for three years and Religion for one year, and as her mentor I followed her development through all three years. I am not exaggerating when I say that Caroline is one of the most ambitious, interested, positive, helpful and hardworking students I have ever met. Her athletic hurdle training has definitely given her structure, confidence and work ethic. She is an excellent writer, speaker and has an analytical mind rarely seen. Therefore I can recommend Caroline to whichever education she chooses to pursue and I believe that your institution will benefit from having her as a student.
