

To whom it may concern:

I am writing this letter to provide a character reference for Felicia Wallin, (020715).

For two school years, I have taught Felicia English at "Söderslättsgymnasiet" (Upper Secondary School) in Trelleborg, Sweden.

My impression of Felicia has always been very positive so I am pleased to be able to write this letter as a way of helping Felicia accomplish her goals. Being a very diligent student, Felicia is able to work independently and successfully with the task at hand. She demonstrates excellent abilities in her studies as well as great manners in the classroom. She combines her studies with advanced soccer practice, without having a negative impact on her study results.

Furthermore, Felicia communicates easily and effectively and exhibits leadership traits. She has a polite and friendly manner as well as a determined nature, not afraid to express her own opinion.

For these reasons, I am confident that Felicia has the necessary qualities and is ready for even more demanding levels of education. I recommend her for studies abroad as she would not have any difficulties adjusting to a new culture. I am convinced that Felicia will be successful at any goals she decides to pursue.
