Letter of Recommendation

To whom it may concern,

I am pleased to write a letter of recommendation for Alice Nilsson. My name is Robert Berg and I have worked as a teacher at the upper secondary school Europaskolan in Strängnäs for 18 years. I have had the privilege of educating Alice Nilsson in entrepreneurship, business economics, international economics and civil law during the last three years. Alice is a student who is ambitious and responsible for her studies. She always perform at a very high level, both in written and oral assignments.

As a person Alice is social, engaged and collaborative. She is a positive contribution to any group she is a member of, and I would highly recommend Alice Nilsson to further studies at any college and I am sure she will easily adjust to a new culture

Yours Sincerely,

Robert Berg
