To whom it may concern,

My name is Marie Adolfsson and I teach English and Swedish at the Upper Secondary School, Kattegattgymnasiet. I have had the privilege to teach Elin Rydqvist (09/04/04) in English (two courses) and Swedish (one course) and now I am also her mentor. Elin is an interested and hard-working student, who shows ambition and respect towards fellow students as well as teachers.

What characterizes Elin is her determination and trustworthy personality combined with good results of her studies. Elin is a very reliable person and she works well on her own as well as in teams.

Elin always does her assignments, or what she is supposed to do, within deadlines. What is more, she is well prepared and does everything with care and qualification.

I can highly recommend Elin as a student at your school/college. If you have any further questions, please do not hesitate to contact me.

Respectfully yours,

Marie Adolfsson
