To Whom it May Concern

I am writing this letter of recommendation at the request of Felix Pettersson in the capacity of his Social Studies teacher and Mentor.

I have had the pleasure of teaching Felix for the past two years at Fredrika Bremer Senior Secondary School Business Economics Programme, where he always attained good grades. He has always been punctual and reliable. He has proved to be a disciplined student who is able to work independently as well as in a group. Felix is a highly sociable person and has good communications skills and has always excelled at languages.

Being part of the Golf Academy at our school has influenced him positively and made him more competitive which reflects in his academic results.

In conclusion, I would like to say that Felix is an intelligent, personable, and responsible young man whom I can highly recommend for further studies at your university.

Please contact me at heidi.vandenberg@haninge.se if you have any questions.

Yours sincerely

Heidi van den Berg (Social Studies Teacher and Mentor)
