

To whom it may concern

My name is Jonas Halvarsson and I teach Physical education, Leadership and mental training at Rudbecks gymnasium (Rudbeck High school) I've had the privilege of teaching Josefina Bivstedt in Mental raining. Josefina is ambitious and eager to learn. Always on time for class and in time when projects, homework and essays are due.

She treats teachers and students with respect. I think that she will be a great asset to your school both in class and on the pitch. I highly recommend her.

Sincerely
