

## To whom it may concern

It is my great pleasure to write this letter of recommendation for Hannah Björkegren.

I have known Hannah for three years, as I am her teacher of English at Östra Reals Gymnasium in Stockholm. Hannah is a skilled and determined student as well as a very driven person. Over the years I had the opportunity to be her teacher, she developed her English skills a great deal and really grew as a person. Today she is a driven, delightful, and mature young woman.

Hannah shows great dedication to her studies and is very active in the classroom, works in a serious and concentrated manner and is always eager to learn more. It would definitively be fair to say that in addition to her unquestionable talent for foreign languages she is also a very determined person once she has set her goals. Hannah has a way of combining school, soccer and socializing that really works to her advantage. She is focused and ambitious and that is why she succeeds.

I am convinced that Hannah has the personal qualities, the motivation and most certainly the language skills to conduct successful studies at an English-speaking school. Therefore, I do not hesitate at all to wholeheartedly recommend her.
