

To whom it may concern,

During the last two years I have been Nellys teacher at Uddevalla Elitidrottsgymnasium in Sweden where she has been studying. I've also been her coach at her track and field club in Sweden, seeing her in training for almost 8 years.

Nelly is a dedicated athlete and a committed student who takes both school and her track and field practice very seriously.

She has a great impact on the other students and is a good example of how to invest in school and athletics training.

Her motivation has really paid off the last years, and she is constantly taking steps, both as an athlete and as a person. I strongly believe that Nelly will be a successful athlete and student abroad and I highly recommend her to your school.

Best regards,
